The American Legion, Georgetown Post 114 and the Veterans of Foreign Wars, Georgetown Post 6444 have recently completed erecting a memorial honoring the military men and women of Georgetown County who gave their lives in our nation's wars.

For the past four years, Assembly 3272 of the Knights of Columbus has proudly supported this truly special project with a golf tournament fundraiser.

On Tuesday, June 19, we will be holding our 5<sup>th</sup> annual fundraiser with two simultaneous 9-hole golf tournaments at Heritage Golf Club to raise funds to assure the memorial will be well maintained.

Thanks to the support of local merchants and individual members of our community, we have been able to donate more than \$20,000 to date towards building the memorial. Once again, we are turning to the members of our community for your support. Please help fund the completion of the memorial by providing an item or certificate that we can make available to participants as a tournament or raffle prize.
