Due to the Coronavirus, no meetings or events are scheduled for April. No meetings were held in March.

We were sad to learn our brother Sir Knight Father James Gerrity passed away on March 28. He was a kind and gentle man and a member of our Assembly. May his soul and the souls of all the faithful departed through the mercy of God rest in peace. Amen.

Brother Sir Knights:

As I write these few lines, we are in the middle of fighting the pandemic of the Coronavirus in our nation. These are trying times. I have to apologize for not being able to dedicate much time to my duties as Faithful Navigator for the Assembly, but my work duties have me dedicating much of my time to healthcare.

Our Assembly's business has been put on hold for the time being, and we have had to cancel our Golf Tournament for the Veterans Memorial in Georgetown this year. We will have to come up with an alternative fundraiser for this worthy cause once our lives resume as normal.

For the time being, what I ask of each and every one of you is that you stay safe and that you practice social distancing and remain at home as much as possible. Most of our membership is considered part of the population at higher risk. I ask you, no, I beg you, stay home and do not go out unless absolutely necessary for the next month. Let those of us in healthcare take care of the sick, but do your part to help curb the spread by staying at home unless absolutely necessary. Once this passes, there will be ample opportunities to help in the recovery. For now, the one thing that you can do is to pray. Pray frequently and persistently for an end to this Pandemic, for the eternal rest of those who have succumbed to it, and for the health and recovery of those who are still sick. Also please pray for all of us who are exposing ourselves to this virus on a daily basis because it is our vocation to take care of the sick. Let us hope that this passes over quickly and that we can soon resume our normal lives and activities.

Fraternally yours,

Victor M. Diaz, Faithful Navigator April 1, 2020
