

Chalice presented to seminarian Javier Heredia

Faithful Navigator Clem Thoennes presented Deacon Javier Heredia with a chalice in memory of recently deceased Sir Knight Tom Krug at the July board meeting of the Knights of Columbus Assembly 3272. The gift was the most recent in a liturgical gift program Assembly 3272 instituted this year to honor departed Sir Knights. The family of the deceased receives the chalice to present it directly to a priest, seminarian or mission etc. of their choosing. The gift of the chalice to seminarian Heredia was at the request of the Krug family. Heredia, a Sir Knight in the Knights of Columbus, is in his last year of seminary training and is scheduled to be ordained in 2014.
