Wreaths Across America honors veterans

From staff reports

Georgetown joined more than 750 locations across the nation Dec. 16 to commemorate the annual Wreaths Across America event.

Knights of Columbus Assembly 3272 member Colin Peterson and Navy veteran George Furbee carried one of seven wreaths that was placed in front of the war memorial on Church Street.

This is the sixth year American Legion Post 114, Veterans of Foreign Wars Post 6444 and the Knights of Columbus have paid tribute to the fallen, honored and those who served. Wreaths were later placed on the graves of veterans.
