## Assembly 3272 Newsletter

Greetings Sir Knights,

“On the 18<sup>th</sup> of April in 75, hardly a man is still alive who remembers that famous day and year.” Over a year before the words of the Great Declaration echoed in Independence Hall, we began our fight for our freedom from the barrel of a gun at Lexington Green. Those freedoms for which we fought were eventually enshrined in the words of the Bill of Rights, the first ten amendments to the United States Constitution. Now what we have sacrificed so much for is being attacked by the so called Secular Progressives, our arch enemies in the modern culture wars.

Freedom of Speech is fine until you try it on a college campus. Freedom of Religion is alright provided yours does not offend some protected group. The right to keep and bear arms shall not be infringed, which essentially got us all those other rights, now is outdated and unnecessary for the average citizen but not for the select few who cannot exist without their armed guards.

We Sir Knights of the 4<sup>th</sup> Degree stand with those Patriots at Lexington Green. We will not allow the Secular Progressives to erode our freedom and takeaway the rights for which our forefathers fought and died to bequeath to us and our posterity.

One of our sacred rights is to vote. I remind our members that nominations for Assembly officers for the next fraternal year are in April and the elections will be held at the May 24<sup>th</sup> business meeting. We need a quorum to validate those

elections. Please plan to attend and put into practice your right to vote.

Please put the following dates on your calendar:

April 8 – Divine Mercy Sunday, 3:00 PM PBOC

April 17 – Officers Meeting, 5:30 PM Founders Hall

April 26 – Business Meeting, 6:30PM founders Hall
