Attendees: Al Guazzo, Rob Zinna, Brian Reid, Colin, Peterson, Ed Gagliano, Roger Brouillette, John Martin, Charles Sacavage, Gene Turner, & Bob Frappier

- Opening Prayer – Come Holy Spirit, Our Father, Hail Mary, Glory Be
- Meeting Minutes for the October 27, Meeting – approved
- Comptroller's Report & Purser's Report

Highlights:

- With the exception of an outstanding check for \$42 (pies for the 5 fire departments) the balance agrees with the bank.
- I have outlined at the bottom the results so far for the advent sales and Christmas evergreens. The Advent sales are money in the bank as the inventory sold, except new candle inventory, was paid for last year. The evergreen revenue only represents money collected. It does not reflect money due or the invoice from the vendor.
- 2022 sales are roughly 60% of 2021. Out of 27 or sales only 10 appear to be from Knights. We need to seriously consider time and effort for next year. I suspect the economy and several fundraising events dampened sales.
- Because the Advent inventory was paid for last year, we will exceed last year's net income.
- We still have 3 Swags and 3 garlands that will be delivered that have not been sold @ \$35 each. This will eat into our net by \$140
- Sir Knight Memorial Fund \$2,622.38
- Operating Funds \$9,739.99
- Current Balance \$12,362.37
